Gary

I know you are on the mailing list but just wanted to remind you that we are having our usual monthly meeting at the New Bedford Library at 7 p.m. this Thursday. The primary topic will be the lower harbor CAD cell. The draft ESD will be officially available at the New Bedford Library and at our Record Center Friday morning (June 25). We are also holding a 30-day public comment period on the draft ESD beginning on the same date (June 25).
